

**UNITED STATES DISTRICT COURT**  
**DISTRICT OF NEVADA**

URBAN ELEVATION LLC,  
 Plaintiff,  
 v.  
 NICHOLAS ALEXANDER,  
 Defendant.

Case No. 2:24-cv-02262-JAD-NJK

**REPORT AND RECOMMENDATION**

Pursuant to 28 U.S.C. § 1915, Defendant is proceeding in this action *pro se* and has requested authority pursuant to § 1915 to proceed *in forma pauperis*.<sup>1</sup> See Docket No. 1. Defendant also filed a notice of removal. Docket No. 1-1.

**I. Magistrate Judge Authority**

The Court first evaluates its authority to address the matter. The authority of the undersigned magistrate judge is derived from 28 U.S.C. § 636, which generally provides magistrate judges with the authority to “hear and determine” non-dispositive matters. See 28 U.S.C. § 636(b)(1)(A); see also *S.E.C. v. CMKM Diamonds, Inc.*, 729 F.3d 1248, 1259 (9th Cir. 2013). By contrast, dispositive matters are sometimes referred to magistrate judges, but in those circumstances a magistrate judge submits a recommendation to the assigned district judge that is subject to the district judge’s de novo review. See 28 U.S.C. § 636(b)(1)(B); see also *CMKM Diamonds*, 729 F.3d at 1259-60. Section 636 specifically enumerates eight different types of matters to be treated as “dispositive.” See 28 U.S.C. § 636(b)(1)(A)-(B). When a matter falls outside of those expressly enumerated as dispositive, courts look to the nature and effect of the issued ruling to determine whether the underlying matter should be considered dispositive or non-dispositive. See, e.g., *Maisonville v. F2 America, Inc.*, 902 F.2d 746, 748 (9th Cir. 1990).

---

<sup>1</sup> Given the Court’s separate duty to ensure that it has subject matter jurisdiction over the dispute before it, the Court need not address whether Defendant qualifies to proceed *in forma pauperis*.

1 The Ninth Circuit has held that remanding a case to state court, while not case-dispositive,  
 2 is dispositive of proceedings in federal court and is therefore beyond the authority of magistrate  
 3 judges. *Flam v. Flam*, 788 F.3d 1043, 1047 (9th Cir. 2015). As such, the undersigned will issue  
 4 a report and recommendation to the assigned district judge. *See id.*

## 5 II. Standards

6 Cases may be removed from state court to federal court based on the existence of federal  
 7 subject matter jurisdiction. 28 U.S.C. § 1441. The Court has a duty to ensure that it has subject  
 8 matter jurisdiction over the dispute before it, an issue it may raise at any time during the  
 9 proceedings. *See, e.g.*, Fed. R. Civ. P. 12(h)(3). “Federal courts are courts of limited jurisdiction,”  
 10 *Kokkonen v. Guardian Life Ins. Co. of Am.*, 511 U.S. 375, 377(1994), and there is a strong  
 11 presumption against removal jurisdiction, *Gaus v. Miles*, 980 F.2d. 564, 566 (9th Cir. 1992).  
 12 “[F]ederal jurisdiction must be rejected if there is any doubt as to the right of removal in the first  
 13 instance.” *Id.* Removing defendants bear the burden of establishing that removal is proper. *Id.*  
 14 “A federal court is presumed to lack jurisdiction in a particular case unless the contrary  
 15 affirmatively appears.” *Stock West, Inc. v. Confederated Tribes of the Colville Reservation*, 873  
 16 F.2d 1221, 1225 (9th Cir. 1989).

### 17 a. Federal Question Jurisdiction

18 “Removal based on federal-question jurisdiction is reviewed under the longstanding well-  
 19 pleaded complaint rule.” *Hansen v. Grp. Health Coop.*, 902 F.3d 1051, 1057 (9th Cir. 2018). The  
 20 “well-pleaded complaint rule provides that federal jurisdiction exists only when a federal question  
 21 is presented on the face of the plaintiff’s properly pleaded complaint.” *California ex rel. v. Locyer*  
 22 *v. Dynegy, Inc.*, 375 F.3d 831, 838 (9th Cir. 2003) (internal citations omitted). The federal issue  
 23 “must be disclosed upon the face of the complaint, unaided by the answer or by the petition for  
 24 removal.” *Id.* (internal citations omitted). Moreover, defenses and counterclaims cannot be used  
 25 to establish federal question jurisdiction. *Vaden v. Discover Bank*, 556 U.S. 49, 60 (2009).

26 Here, there is no apparent federal question as Defendant seeks to remove an unlawful  
 27 detainer action and his notice indicates that the underlying claim involves his eviction. Docket  
 28 Nos. 1-2, 1-1 at 3. Defendant submits that federal question jurisdiction exists because Plaintiff

1 “violate[d] several federal statutes” such as 15 U.S.C 1692 and the Fair Credit Reporting Act. *Id.*  
 2 at 1. Defendant’s defense alleging violations of federal law cannot be used as a basis for federal  
 3 question jurisdiction.

4 b. Timeliness

5 28 U.S.C. § 1446 provides:

6 The notice of removal of a civil action or proceeding shall be filed  
 7 within 30 days after the receipt by the defendant, through service or  
 8 otherwise, of a copy of the initial pleading setting forth the claim for  
 9 relief upon which such action or proceeding is based, or within 30  
 days after the service of summons upon the defendant if such initial  
 pleading has then been filed in court and is not required to be served  
 on the defendant, whichever period is shorter.

10 Here, proof of service for the underlying state complaint was filed on September 23, 2024.  
 11 *See Trigueros v. Adams*, 658 F.3d 983, 987 (9th Cir. 2011) (federal courts may take judicial notice  
 12 of state court records). Defendant filed his answer on October 4, 2024, Docket No. 1-2 at 4, and  
 13 removed the case to this Court on December 6, 2024. *See* Docket No. 1. Thus, Defendant’s notice  
 14 of removal is untimely.

15 Accordingly, the undersigned **RECOMMENDS** that this case be **REMANDED** to state  
 16 court for lack of subject matter jurisdiction. In light of this recommendation, the Court **DENIES**  
 17 Defendant’s application to proceed *in forma pauperis*. Docket No. 1.

18 Dated: December 13, 2024

19   
 20 Nancy J. Koppe  
 United States Magistrate Judge

21 **NOTICE**

22  
 23 This report and recommendation is submitted to the United States District Judge assigned  
 24 to this case pursuant to 28 U.S.C. § 636(b)(1). A party who objects to this report and  
 25 recommendation must file a written objection supported by points and authorities within fourteen  
 26 days of being served with this report and recommendation. Local Rule IB 3-2(a). Failure to file  
 27 a timely objection may waive the right to appeal the district court’s order. *Martinez v. Ylst*, 951  
 28 F.2d 1153, 1157 (9th Cir. 1991).
